## **FIRST PRESBYTERIAN CHURCH OF EDGEWOOD FACILITIES USE, POLICIES & PROCEDURES GUIDELINES**

*Approved by Session 09/12/18*

*Revised by Session 08/09/23*

### **FACILITIES USE PHILOSOPHY**

The facilities of the First Presbyterian Church of Edgewood (FPCE) are dedicated to worshiping God, nurturing disciples, living in fellowship, and participating in the mission of service to the people of God in Christ's name. Thus, the facility will be made available for Congregational members and non-members.

### **PRIORITIES FOR THE USE OF THE FACILITIES**

To this end, the priority of usage is as follows:

1. The most important function of the facilities is the worship of God. All other activities and programs in these facilities take second place to that.
2. The second function of our facilities is the faithful execution of our Mission Statement. This includes use by members (e.g., birthday parties), organizations sponsored by FPCE (e.g., Scouts), and community outreach and service groups (e.g., Alcoholics Anonymous). Priority for the use of the facilities shall be given to its Staff, Session, Deacons, and committees thereof, members, and current tenants, followed by specific requests of its congregational members
3. The third function of these facilities is service to the community. Community organizations and music ensembles are welcome to use the building. Such usage may not interfere with the first and second priorities. The program or activity proposed must also be regarded by Session as appropriate for a facility dedicated to the worship of God and the stated Mission of FPCE.

FPCE is not in the rental business; the requested donation is intended to defray FPCE's costs including utilities, building maintenance, custodial requirements, etc.

- Facilities are not generally available for any "for profit" group or organization without the prior approval from the Session of FPCE
- Organizations engaged in partisan political campaigns are not eligible to use church facilities

### **APPLYING FOR USAGE**

All communications regarding usage must be directed to the Office Manager. The Office Manager will, if necessary, forward facility usage requests to the Property Committee and/or the Session (governing body of the congregation). The Office Manager will also notify those using the facilities about any changes in arrangements.

- All requests must be submitted to the Office Manager at least four (4) weeks before the event to ensure time for approval. Any requests submitted less than two (2) weeks prior may not be approved.
- Rental of the facility of FPCE must have approval by a majority of the Session (upon receipt of rental form, check or money order, and Certificate of Insurance).
- The FPCE Office Manager must have accurate contact information for two (2) members of your group (a primary and secondary). It is the group's/organization's responsibility to see that FPCE Office Manager has accurate information.
- FPCE understands that groups occasionally find that the room reserved for them is no longer suitable. Office approval is required PRIOR to using a different room.
- The Session of the FPCE reserves the right to cancel any use agreement at any time if the group is not in compliance with the Church's mission and *Facilities Use, Policies & Procedures Guidelines*, as stated herein.

### **STANDING OR REPEATED USE OF THE FACILITIES**

- Requests for the scheduling of regular/standing (monthly or weekly) meetings from September through August by the church sponsored or outside groups must be submitted annually, normally by July 15<sup>th</sup> of each year. The Office Manager with assistance from the Pastor and/or the Property Committee will normally act on these requests in August. Forms are available from the church office and shall be submitted to the Office Manager.
- Standing use of the church facilities by outside groups is offered only when an outside group is performing a ministry consistent with that of FPCE, which otherwise the church would need to undertake, and as long as the relationship between the outside group and the church is cordial and cooperative. All outside groups seeking standing use of the facility must re-apply annually to do so.
- While every effort will be made to protect time and room commitments made to any church or community group requesting such, all who wish to use the church facilities must understand that emergencies can occur that allow the church little flexibility (e.g., funerals). The church reserves the right to ask a group to move from its usual meeting space and/or time in the facilities to another meeting space in the facilities. It may also be necessary to withdraw permission to use the facilities on a given occasion because of conflicting priorities or for maintenance reasons. Such necessary changes in agreement will normally be given with as much notice as possible.

### **OPERATIONS**

**Building Access:** Keys may be provided to the leaders of the various FPCE committees on a permanent basis. Others will be required to pick up a key during office hours or make arrangements for having someone meet to unlock the building. Arrangements will be made for key return through the Office Manager.

**Building Hours:** Facilities are available between 9:00AM–10:00PM. Any use outside these hours must be approved by the Session.

The Scheduling of Meetings or Events will be overseen by the Office Manager. Office hours are 9:00AM–2:00PM, Monday through Friday. Scheduling requests should be made on a *Building Use Form*. All non-parish sponsored groups must provide a copy of a Certificate of Insurance.

Reservation Form: When a reservation request is made, a copy of the *Facilities Use Guidelines* and an *Event Request/Rental Agreement Form* shall be given or sent by FPCE to the requesting group. The event will be put on the church calendar once the Session approves the request, and the security deposit, *Meeting Request/Rental Agreement Form*, and Certificate of Insurance (for all non-parish sponsored groups) are completed, signed, and returned to FPCE.

Insurance: There are risks connected with activities. FPCE is not responsible for injury to someone participating. This includes suits and demands whatsoever in law or in equity.

**FACILITY FEES**

No building use fee will be charged to congregational sponsored groups, e.g., Session, Deacons, or sub-committees thereof. However, there will be a rental charge to congregational members and non-members or groups for use of the FPCE facility for non-church sponsored activities. There is also a standard, refundable security deposit fee of \$50. This security deposit will be refunded in entirety, unless there is damage to the facility, the rented area is not left clean, or a building key is lost. An additional \$50 deposit will be required for continued building use or a replacement key.
